Evening Special Event

Starts at 8pm

Into the Nightmare Nest

of Players 5

B.G.Osorio

This event can only be entered by gaining one of the winning tickets.

The City of the Gods has been built and rebuilt hundreds of times over the past two thousand years. When the government of the city assembled a team to reclaim the lands they choose a multicultural group of "heroes" representing the different groups that make up the city.

As the five heroes scout out the lower levels of what was once the Nightmare Nest of the Church of Shadows, they can call in special allies (much like single use special attacks) to clear out the terrifying threats the Church of Shadows left in its lands. But choose your allies carefully, because this fast paced game will take you through many dangers and each ally can only be called in once.

Dark Refuge. Skill Level: Beginner

Audience participation will be encouraged and supported as the audience can play their favorite DR characters as the "special allies" of the 5 heroes.

The 5 Heroes of this mission must all be new characters!
